A LOUISVILLE special tips Governor Beckham as the man to
fill Blackburn's shoes as United States Senator. If we believed
there was any danger of such a degenerating thing as this would
happen, we would at once advocate all night prayer meetings
throughout the State and try to head off the direful calamity to
old Kentucky.

OHIO did not do as well as the early reports indicated, for it
is now claimed that the entire State Republican ticket with the
exception of Governor has been elected. The defeat of Herrick
is thus make the more humiliating. But we have nothing to
complain of about Ohio, the mere fact that the Democrats de-
feated the heretofore invincible "Boss" Cox in Cincinnati was
enough glorious news from the State that gave Roosevelt over
200,000 majority.

THE Rev. C. W. Chadwick, pastor of the First Baptist
Church at Maysville, who is holding revival services at his
church, held an all night prayer service Monday night, praying
for the conversion of the sinners of Maysville. Bro. Chadwick
must be trying to land the irrepressible Editor, Tom Davis, of
the Ledger. We believe it will take several all night meetings
to accomplish this miracle, but if you think there is a chance
keep it up good people.

FOR the first time in twenty-five years Democrats have been
chosen for County Attorney and County Clerk of Pulaski county.
Casey is a pretty good second with a record of sixteen years of
Republican control, which has just been broken by the election
of the Democratic candidates for County Judge, County Attorney
and Superintendent of Schools. The Superintendent of Schools-
elect is Henry Thomas, editor of the Casey News, who was a
prominent factor in turning the trick. Who can say this is not
a Democratic year.

WHEN you see preachers begin to mix up in politics, as some
of them are now doing in Kentucky, it means the first step in
falling from grace. The next thing you hear will be their can-
dacy for some office and then this personal devil you hear them
preach about "has them." Ain't it the truth, for it has been ad-
mitted by all, politicians and Christians alike, that of all truths
ever uttered none was more truthful than when Judge Jewell
said, "Politics is Hell." Be careful, brethren, unless you fall
right into the center of this awfully hot place where ice water is
unknown.

It looks as if Governor Pennypacker is about "twenty min-
utes late" in calling an extra session of the Pennsylvania Legis-
lature to consider reform legislation. The Governor had no
trouble in reading the handwriting on the wall after the Phila-
delphia voters turned on the searchlight. The conditions were
very plain before the Philadelphians were aroused to action,
but the State's Executive either wilfully or through ignorance
failed to see the situation in its true light. After the repudia-
tion of his party he starts a movement to retrieve the loss that
prompt action might have prevented.

WE are informed by the Hon. C. M. Thomas and Mr. Jos.
M. Hall, the enterprising gentlemen who have been soliciting
stock to re-establish the old Bourbon County Agricultural Asso-
ciation, that they have met with much encouragement.
With a few thousand dollars more and the Bourbon County
Fair is assured for 1906 and the years to come. The old Bour-
bon County Fair was the biggest advertisement of the stock and
crops of this county that could have possibly been had in any
way. In the valuation of lands Bourbon county stands first of
the counties in Kentucky, and it will be a down right shame if
enough money can not be raised to re-establish the old Bourbon
County Agricultural Association. There is no question about it
being self-sustaining, it was in days gone by until the races
were annexed. As we understand it, this will be simply an old-
fashion fair, which the people want, as has been demonstrated
by the crowds in attendance at these fairs in our neighboring
cities in past few years. Another little spurt and the movement
is a success. Don't wait for these gentlemen to come to you,
but go to them and sign for the stock.
